Meeting Points

Scottish Institute for
REMANUFACTURE
Reuse, Repair and Reconditioning

- **Objectives:**

- To set up “Birds of a Feather” discussions
- Enable people interested in similar discussions to find each other.

- **Format:**

- Not a formal workshop session
- Stand-up meetings/discussions at the Meeting Points which will be identified by Poster Boards
- People may come and go

Meeting Point Topics

Scottish Institute for
REMANUFACTURE
Reuse, Repair and Reconditioning

Getting Started:

- Businesses looking to speak to those who can steer them on how to get started, or to businesses who have been through the same process

Funding an Idea:

- People interested in how to fund an idea or find out what funding is available

Sharing Ideas:

- For people wanting to follow-up with things they heard during the presentations or looking to brainstorm/bounce ideas with peers.

Reverse Logistics:

- For people interested in discussing the challenges and solutions around Reverse logistics / supply chain
